Benefits of HRA Membership

Monthly newsletter with legislative updates, shooting sports news, and information on shooting activities in Hawaii.

Participation in monthly fun shoots.

Discount on HRA items.

CMP (Civilian Marksmanship Program) discount.

Attorney Referrals.

Participation in annual bbq lunch meeting and shoot with prizes.

Most important of all - A unified voice to speak on behalf of Second Amendment rights in Hawaii (the larger the membership, the louder HRA's voice). Two big wins in 2010 legislative session - Castle Doctrine and Emergency Powers bills. A win in 2012 legislative session – immunity for NRA instructors.

HRA fights for Second Amendment rights on a local level and NRA fights on a National level.
